Dear Guest,

Welcome to HAZEV, the first collaboration between the HAZ and TAS Restaurant Groups.

Our name derives from the words *haz* -meaning 'enjoyment' - and *ev* -meaning 'home', and in creating *hazev* we hope to provide you, our guests, with a dining experience infused with the comfort and indulgence associated with both.

Our ultimate goal, however, is to offer you a taste of Anatolia cuisine at its finest. To this end, we ensure that all our dishes are prepared daily using the freshest of ingredients, many of which are organic, and only purest of extra virgin oil.

Should you have any special dietary requirements, or any specific requests, please do not hesitate to inform our staff.

We hope you enjoy your meal.

Afiyet olsun.
